Re: Application of Wyboo Plantation Utilities, Incorporated for Expansion of Service Territory in
Clarendon County
Docket No. 2007-135-WS

Dear Mr. Terreni:

On July 30, 2007, affidavits were submitted on behalf of Our Town Development Company, LLC and Deer Creek Plantation Properties Incorporated to the Commission that purport to show that the Commission previously granted or that it was intended that the Commission grant the additional service areas of Mill Creek, White Oak Pointe, White Oak Landing, Wyboo Gulf Club, Clubway Commons Phase I, and Deer Creek.

Although ORS does not change its position from that asserted in Docket No. 2005-13-WS, ORS also does not challenge the affidavits submitted to the Commission. Should the Commission find after reviewing the affidavits that no request for approval for expansion is necessary, ORS will not seek to appeal that finding. Alternatively, if the Commission finds that Commission approval for expansion is necessary, ORS does not oppose the requested expansion and the requested waiver of hearing due to the urgent need for service evidenced by the affidavits and the absence of any other provider that can meet these time constraints. ORS does, however, respectfully request that the Commission establish a deadline for Wyboo Plantation Utilities, Inc., to comply with the statutory performance bond requirements.

Please let me know if you have any questions regarding this matter.

Sincerely,

Nanette S. Edwards, Esquire
